

This topographic map depicts a hilly region with numerous contour lines indicating elevations ranging from approximately 425 to 850 meters. The map features several key locations and infrastructure:

- Sorgente DEI PRETI:** Located in the upper central part of the map, this area is characterized by a cluster of buildings and a small stream.
- Cuccaro V.:** A larger settlement located in the lower central part of the map, enclosed by a red dashed line. It contains a prominent red circular feature, possibly a church or a monument.
- Marotta:** Located at the bottom of the map, near a large blue circular feature (likely a reservoir or pond) and a road labeled "P.le Marotta".
- Other Features:** The map includes various colored shaded areas representing different land uses or vegetation types. A scale bar at the bottom left indicates a scale of 1:2000, with distances marked in meters (0, 50, 100, 200, 500). A north arrow is also present in the bottom left corner.
